mentor

CLOSING THE GAP BETWEEN NEW AND
EXPERIENCED MASSAGE PRACTITIONERS

HOW I CAN HELP

- Achieve a business mindset, while honouring the caring practitioner inside you
- I'll guide you to recognise your individual goals
- I'll work with you to design a plan to succeed
- No more feeling overwhelmed or unsure
- Know what to prioritise and focus on
- Learn how to attract *your* perfect clients
- Set systems in place to avoid working all the time
- I'll be that someone in your corner, who's done the work and gives you encouragement and support
- I'll empower you to transition into clinical practice and achieve your goals

WHY WORK WITH ME?

- Don't spend years learning through trial and error on your own
- I will guide you step by step, using encouragement, insight and strategy
- Save time and money with a supportive plan
- Advance your treatment skills and avoid burnout
- Get advice on current cases you are treating now
- Gain the confidence you need to thrive

I am an accredited remedial massage practitioner, educator and business owner, I am passionate about what I do and about sharing my knowledge, skills and experience to ready practitioners.

*Let me help you **thrive**.*

I have 25 years experience in remedial massage therapy, working with varied presentations including chronic pain and disease management, injury rehabilitation, pregnancy, women's health, stress management and clients from all age groups.

I collaborate with medical and allied health professionals and own a successful massage therapy business in Sydney.

I have worked as an educator in massage therapy in both the private sector and at TAFE NSW for the past 15 years.
